- 2009

## Work experience

### March 2019 – june 2019

Internship at Zenjoy Leuven, frontend webdesign, agile team meetings and customer contact

## Personal skills

- ☒ **Perseverance**  
I keep searching for a solution, even if it is difficult to find
- ☒ **Helpful**  
If other people have questions or need help, I am ready to assist them
- ☒ **Inquisitive**  
I try to consider multiple solutions to find the most appropriate option
- ☒ **Eager to learn**  
I love learning new computer languages, frameworks, features ...
- ☒ **Orderly**  
I strive to program as orderly as possible and with good documentation
- ☒ **Independent**  
Next to working in a team, I can also work perfectly independent

## Varia

- ❖ During 3 years, I was a permanent employee of the student association De Kelten. Here, I made myself available whenever they needed help and I learned to work in a team.
- ❖ I like to develop and improve new skills. Currently, I am learning myself how to play the piano.

## Computer knowledge

- |                       |  |                       |  |
|-----------------------|--|-----------------------|--|
| ❖ Java                |  | ❖ React-Native / .NET |  |
| ❖ HTML / CSS          |  | ❖ Rust / TypeScript   |  |
| ❖ JavaScript / Python |  | ❖ Prolog / Haskell    |  |
| ❖ SQL                 |  | ❖ Microsoft Office    |  |
| ❖ C++ / C#            |  |                       |  |

## Language knowledge

- |           |   |
|-----------|---|
| ❖ Dutch   | > Fluently spoken and written (native language) |
| ❖ English | > Fluently spoken and written                   |
| ❖ French  | > General knowledge                             |
| ❖ German  | > Basic knowledge                               |
